

Each nail was out. They just come out. Chickens was sitting there just blinking. I didn't think (words not clear) The houses was scattered.

(Yeah.)

SCHOOL WORK AND EXPERIENCES

And there weren't no section lines. I can remember seeing the section lines come in here. And but---just those school teachers that taught just named after this lady got hurt. She went home and never come back. Fella by the name of Donahue took second term there. And he told me that he had an enrollment there of 142.

(142.)

But, he said, he didn't have that many daily attendance.

(Yeah.)

He told me he said I don't see how I ever taught 'em. He taught there four years.

(No, I don't see how he done it. I don't see how he took care of that many.)

I worked for him after I got pretty good size quite a bit. He was all the time wanted me to work if I wasn't doing anything at home. He wanted me to work for him. I skin four head of mules sunup till sundown thirty cents an hour a day--not an hour, thirty cents a day.

(Thirty cents a day. I had heard of a Success School somewhere in that country down in--)

A what?

(A school they call Success.)

Yeah. Now Success was west of there. Let's see, about four miles.

Woman: School house is still there.

What?
