

And they had a streetcar run on up to Muskogee.

(Well.)

And I seen when I was small I seen steamboats come up there to Hyde Park.

(Well my goodness.)

They had one they call (static--words not clear)

(Yeah.)

And come up there another way through to Hyde Park.

Mrs. Were you all talking about the Texas Road?

Yeah.

Mrs. Well, the Texas Road up towards Muskogee at first was built, across down there where the railroad in the vicinity of where (words not clear.)

(static--tape skip)

Bill. Well, right here it is on the map.

Mrs. It shows you there, doesn't it?

Bill. Yeah, but it shows it east of Muskogee.

Mrs. Well it--came in though it said it approached it.

(Both?)

Mrs. Uh-huh. (static--words not clear) Muskogee. So I guess, it swung out and come through along in there. Even off of the road.

Bill. It shows it here crossing right between Grand River and Verdigris.

Mrs. Well, it probably did.

Bill. Cross the river there at north, you know that farm we looked at over there?

Mrs. Yes.

Bill. Well, it crossed right there.

Mrs. I was looking through some of these books to see if I could--this map on the back of this--
