

them in the least I kind of feel sorry that they had gotten themselves into that way of thinking but--it does exist I'll acknowledge.)

Well it is amazing to find that it does exist, didn't I expect to here in Oklahoma.

(Yes.)

And especially among tribes.

(Surely.)

You know, they go by "Five Civilized Tribes."

(That's something else that I've never been able to figure out--why they ever brought into existence that--handle, I'll call it, "Five Civilized Tribes." When --there's other tribes that were just as civilized and maybe more so. You take the Iroquois--now that was a highly civilized nation. And--there were others who had some very prominent and--intelligent people.) The Indian children admit themselves--
