them in the least I kind of feel sorry that they had gottn themselves into that way of thinking but—it does exist I'll acknowledge.) 7
Well it is amazing to find that it does exist, didn't I expect to here in Oklahoma.

(Yes.)

And especially among tribes.

(Surely.)

You know, they go by "Five Civilized Tribes."

That's something else that I've never been able to figure out—why they ever brought into existence that—handle, I'll call it, "Five Civilized Tribes." When —there's other triber that were just as civilized and maybe more so. You take the Iroquois—now that was a highly civilized nation. And—there were others who had some very prominent and—intelligent people.) The Indian children admit themselves—END OF TAPE. END OF INTERVIEW.
