

you? And heard a lot of things about them.)

Well, it's more interesting to visit with them than it is -- .

(Oh, yeah, I find it much more so.)

Andbody else then. In other words, they can tell you more history and everybody's else family branches off of their family.

INDIAN BELIEFS AND PHILOSOPHY

(Yeah, I'm particularly interested in the Indian beliefs. A lot of them are pretty well concrete and sensible too as I look at them. I mean they have something that they can hang onto. That's a part of their life.)

Well, they still believe in honesty, courage, and faithfulness. And that's something that -- .

(And they put pride above -- just about above everything else.)

That's right.

(Regardless of how poor they are, they're still proud.)

That's what I've learned. That's what I tried to live by. 'Course I tell you the difference. Past experience has caused me to learn the difference between the Indian and the white. And I had to make myself accept that, and -- .

(Well, most of them are in the same post because they're in competition everyday trying to make a living, and to make a living nowadays, they have to go to white man's ways to make a living.)

That's what I'm talking about. You have to lie. Oh, maybe, not lie, but you have to not tell the truth. In other words, you have to beat your neighbor or something, most of them nowadays. But yet courage, different -- I know different times -- of course, that's how come (not clear) with them, I didn't tell them the truth at times. And I didn't think about it. But a lot of these Indians just (Sentence not clear). They're lost. And if the people will come back to that, this old world would be a lot better
