

(No. Don't have any backing.)

Now, just say there was bank robbers in that car there. Well, and you was pretty certain there was and you tried to stop 'em and he wouldn't stop and went to shooting at you. And you shot in there and accidentally shot an innocent person why they'd try you for murder.

(Sure.)

This Jim Sanders over there at Tulsa, you know.

(Yeah.)

He shot a girl over there trying to stop a car. They about to hang old man Jim.

(That was that mean looking law man, wasn't it? That big one?)

Yeah.

(Meanest looking law man I ever saw. Boy, that was a fierce looking fella. (interruption)

(Yeah, down there where you live was a tough looking country.)

Yeah, it is yet.

(And you were so far away from anything?)

Yeah.

(That was--was that Oak Ridge?)

Oak Ridge.

(Oak Ridge. Yes sir, you were a long way from anybody down there.)

(Interruption)
