

(How early did you get up in the morning?)

We get up early..in time for dinner. The bell ring and we all march out and go to the dining room.

(Was this in the middle of the day?)

Yea.

(When did they day start?)

About seven I guess we get up.

(And where die you eat?)

Dining room. The building between the boy's dormitory and ours.

(Did they boys eat there?)

Um-hum. (Yes)

(Did you ever date any of the boys?)

No.

(Was dating allowed?)

No, pretty stricky; we can't talk to no boy out on campus. They were on the same campus..right around us. We don't talk to them.

(What would happen if you talked to the boys?).

They punish us. They take the privilege away. They take the privilege away from us..going to social and going to town. I go to town, if I'm not punish I go to town every week. Middle of the week and weekend.

(Did you get punished very much?)

Oh, just when I get rough and go crazy. Mischief<sup>2</sup>gettin' in trouble I climbing trees and fell in pond. The pond was pretty deep and I was climbing...persimmon all out that way. I'd climb the tree and get it. I'd climb just right above the pond. Tree like this and water all down there. I'd climb up there and take a hold of one limb. Limb must be
