

Alright, stay all day.

(And I thank you too for talking to me about your--about you making your arrows. Just look like a good one.)

Unidentified voice: I make them things hanging up yonder there too.

(Those bows?)

Mmm-hmm.

(Do you make them to sell?)

Unidentified voice: Yeah.

(Sometime, I might wanna buy a homemade one. How much do you charge for them?)

Unidentified voice: They're pretty high.

(Are they? Like a bow with--like a set of arrows, about how many arrows goes with a set?)

Unidentified voice: Two.

(Two?)

Unidentified voice: When they're homemade they're \$50.

(When they're homemade, do you --)

Unidentified voice: (not clear)

(Uh-huh)

But that's just an old craft up there.

Unidentified voice: (not clear)

But, you know, just like I told--I told the Congressman--

Unidentified voice: (not clear) show you what -- (static)

--- The crafts (not clear)

(Uh-huh, the arts and crafts down there?)

Yes, the Congressman, you know, when he came down, and my daughter was getting her house built, real good house. I was over there. And, so,
