

Yeah, we passed it over there--Salt Creek. You could see it from over there.

(Can you get down to it in a car?)

Yeah. They can get to it. Next time we go.

(Has this gypsum plant been here very long?)

Yeah. (at Southard) It's been here long time. They just tearing up this land. Tearing it up. That's where they look for rattlesnakes. (broken country just east of Southard)
