Yeah we do.

(Yeah.)

(That's nice.)

Just us women folks. We just go out there. And sometime we sing out there and all of us pray. Then we come back. Time to go back in. Even the men folks; they went. In different way they went. The women folk went different way.

(I saw the women folks going but I didn't see the men folks.)

Long time ago, men folks do it. But now they don't. They sit there and talk and gossip and that's all. (Laughter) Joke and going on. And talk about people.

(Worse than women?) (Laughter)
