

(Just like I say, it just next time he gets married, he will have to marry some other tribe or somebody that's not full blood--full blood Osage or full-blood Indian.)

There won't be no more full Osages, cause he get married to someone or some tribe or other tribe born here. Who did you marry?

(I married Bob Morrell's daughter.)

Oh.

(I married Katherine.)

Katherine.

(And we got one boy.)

I heard old man (Osage name) wife went meeting one time. Next day, she told Wah-hre-she, she said "This boy here, he sit behind me," and said, "This boy here is my relation." Told a bunch of Osage. And afterwords Bob Morrell want his daughter marry Silas. After they got married, they find out what the old lady said. I told her "I see your brother married Morrell. The old lady already told me, that I was her relation. How come she marry Silas? (next sentence not applicable). Tell her, Bob was the one who done that, you know. He wanted her to marry Silas. He was just a young man, too. I don't know what to think about it. But relatives of lady find out (not clear). So anything like that you make a mistake, like that, you know. Try to find out before it's too late.

(Now the old people they try to marry--I know back when they tried to marry, you know, their children off to the proper ones, you know. And these children won't listen, you know. And they go off. Just like--well, take example, my father. He married a white woman first. He wouldn't listen to his folks. And then he married my mother. Well, it was all right then. And such as that--I mean the old people had the right idea. They wanted to try to keep the Osages blood ging. And they may have made a mistake then, but they wanted to keep 'em you know, the full blood Osages, then wanted to keep them going long as
