

(But, course if anyone possesses an Indian dress. They have something that will be hard to replace.)

Yes!

(And more so it has a personal value, beyond the sentimental feeling. That is worth a whole lot, too.)

Yeah, even before I ever thought of even beadwork you know.

(Ah-hum)

And some girl, that had call this girl that cut it out for me. And she ask this girl if I sew it for her. And this girl told her and said well, my lands you have any idea what the hide will cost. To go into a dress. Girl said yes, and she said what that dress means. And the girls said It's an Indian dress. And I guess you cut it out for her and his girl said yeah! It's an hundred Indian. Mine is the hundred.

(Ah-huh)

Indian dress that this girl had cut.

(Hundred)

Ah-huh.

(Hum)

And that's a lot of Indian dresses.

(It certainly is.)

It is really something. But I -- I don't think it one in my family that has Indians dress like that. Course I go dressed in it.

(Ah-huh)

I bowl with them, and I work with them.

(Surely.)

And everything and I just. And I tell you something, when if you'd ever get a chance. Not very many people, ever do. And that is to attend
