Yeah.

(Interruption)

(Yes, it was.)

Now old cars they'd off of that ditch there.

(Well.)

(Interruption)

(You mean a--this bottom land down here?)

Bottom land.

(Let's see, is this on a creek or a river?)

River Bottom. This used to be the worst old coal slew. Seen on this road right here? Water over three to four foot over here for thirty days.

DISCUSSES PRESENT DAY PROBLEMS

((not clear)--There lots of house around here.)

Oh, yeah. Say, you know they been robbing the (obscene) out of these houses down-in here?

(Is that right?)

Yeah, down back here.. They call these at home and if you answer they just hang up, won't say a word. But if you don't answer, well they make a run on it.

(Yeah.)

(That's getting pretty brave now.)

It is. Now this--this here kid live right here in this house. He over a thousand dollars worth of stuff. He stole a colored T.V., stereo, radio; all of his electric equipment, Frigidaire. They just like moving him out.

TELLS ABOUT GRANDFATHER AGAIN

(Interruption) Now here was my grandfather's wife. See, now, she was born
