

Lacie cemetery--is that Soldier Sixkiller cemetery? A lot of folks there. All Indians. The Grigsbys and the--there are some Lacies there too and some Morris, but most of them seem to be Sixkillers. But then I guess they settled there when they first came from Georgia and then they scattered, scattered then coming this way. And also some Mouse, I think, family.)

I had my grandma's (interruption) no one lived inside (not clear)

(Well!)

(not clear) and I wouldn't know. (sentence not clear)

(Well, those Lacie, most of them stayed over there in the Westville country.)

In that section, well, my grandmother came over, well, all her sisters too. Now that Kingfisher, Leslie Kingfisher is from the Lacie family too. Her mother.

(Yeah!)

My grandmother and her mother, and the Pick-up down here, their grandmother was a Lacie, too.

(Well.)

And there was this Tom and John Wilson's, mother was a Lacie, too.

(There must've been a big family of them?)

Yeah, I think there was five sisters.

(Five sisters? Do you remember your grandmother's name, her first name?)

Her first name, Katie.

(Katie. Now she is buried over there at the Lacie Cemetery I believe, isn't she?)

No! She is buried right over here.

(Buried here at the--)

Right here at Grass Cemetery.
