

home where he lives.

Jordan: Out in the country?

Irene: Yeah. You know where he lives--by the cedar trees?

Jordan: That's close to the Apache Y?

Irene: Yeah, west of the "Y". They're going to build him a home right there. And everything--the land is there--and all they have to do is just build now. And they're waiting on the money. When they get started, they're going to build. Theirs is approved. But theirs (Blackie and Elton's), the application is already approved but no place to put the home. And the land he owns--forty acres--he wants to sell that. He (probably Blackie) doesn't want to build a home there. So I don't know how he's going to come out. They want to build in town.

Jordan: Where is his forty?

Irene: Right out here.

Birdie: Won't they build in town, Irene, or wherever you want it?

Irene: If you--you got to have an acre and a quarter.

Birdie: They won't allow you enough money to buy the acre and a quarter plus your house, wherever you want it. You got to have a acre and a quarter first, before they approve your house.

Irene: Yeah. Before they approve it. I couldn't even buy no lot in town.

I looked all over. Went everywhere.

ROBERTA TOHAY'S PROBLEM: TOO MUCH INCOME FOR HOUSING PROGRAM AND NOT ENOUGH FOR OTHER KIND OF LOAN

Birdie: What about her (Roberta)? You either don't have enough or you got too much. Anything to discourage you. You can't even get it!

Roberta: I got my two acres over here--about two or three east of here.

Irene: Where you-all's old place used to be?

Roberta: Yeah. See, we were down here in the bottom, but I got it over there across the field on the gravel road where the bus can come by. And my husband
