

house. He went and built a church.

(Is that church still there?)

No. These members--like Dan Blackhorse, he went and sold it and we didn't know it. Nobody knew it. It should have been there, but he sold it. It was sold.

(Dan Blackhorse is still living, isn't he?)

He died. He died about six years ago.

MYRTLE'S BELIEF IN PRAYER

(When you were attending either his church or some other Pentecostal church, did you ever get the Holy Spirit yourself or have the same experience?)

Yeah, I did. I did. You know, now, a lot of people, they deny this Holy Ghost, but It's real. You can feel the Spirit when the Lord is in the church with you. You can just imagine things how it is up in Heaven. And when I got that Holy Spirit, I seen things that they preach about. And I always-- I don't forget--I pray all the time. That's the only way I'm going on in this world--praying that the Lord will look over me and everything. Now, over here I'm by myself. I pray all the time. I pray that the Lord will see that nobody don't come and bother me or anything like that. And I go to bed and nothing bothers me at night. I get up in the morning. I pray before I cook my breakfast. And there's always a way for me, you know-- there's a lot of things I need help for. When I pray to the Lord, it always comes the way I pray--I ask. Now--like you--you come over here. Just about the time I'm in need of money, you come. I always ask the Lord to see the way for me to get money so I could get my eats and what I need, and it always come like that. One time I was just out. I didn't have nothing to eat. I didn't know how I was going to get it, I start praying that morning
