

(Do you know her name?)

Louise, I think--Louise.

(How would Jenny have mer a Nava,jo?)

Well, she was going to school out there.

(Does Louise still live out there?)

No. I don't know where she's at.

(What about this one whose name was Good Woman and you said she was sort of off. Did she ever have any kids?)

No. She died when she was young.

(Now I could just as you if any of these have any descendants that you know of--like Steve Dawes or Laurenda--do they have any children?)

Laurenda's got--she was married to Johnny White Buffalo, a Cheyenne. They got two boys. Jimmy and let's see--what's the other one's name? They call him Doyle, I think.

(Where do they live--around here?)

Well, they live with their grandmother, Susie Spotted Horse.

(That would be Saul Birdshead's wife?)

Yeah.

(O.K. Now what about Junior Birdshead--does he have any kids?)

Yeah, he's got kids.

(Who's his wife?)

Birginia All runner.

(Myrtle, all these people now that I'm taking their names--these descendants of Sitting Bull--do you count them as your relatives?)

Yeah.

(Now who are the kids of Virginia and Junior?)

They've got two girls. Hey, I don't even know their names! You know they been away from here when he was stationed in Germany. And they been over there and that's where they had their babies. And I don't see them very often. But
