

Joe? Yeah, he's got three, I think--two girls and one boy. I don't know their names.

(What's his wife's name?)

I don't know. She's from Washington state. She's Indian--what do you call them?

(Yakima?)

Yakima, yeah.

(What bout Ralph--does he have any?)

He's got a Sioux woman. One baby. It's a girl.

(What about Lawrence?)

He's got kids. He's got four--two girls and two boys. One boy's name is Anthony--the other one is Kenny. And Sharon, a girl, and Lucy. And the wife is Wanda.

(Is she Arapaho?)

Yeah, she's my granddaughter.

(Now that's Alta's sister?)

Yeah.

(What about Laverne--does he have any kids?)

No. But he's going to have one, though--it's going to be a bastard! (referring to young girl in Canton he is alleged to have gotten pregnant)

(What about Tommy Rose--does she have any?)

She's got six kids but I don't know their names. And they're all just nobody's--no fathers. Just getting them by drinking.

(What about Frances--does she have any?)

She's got one little girl. I think she calls it Sue.

(Who is her husband?)

He's a Bates--Alben Bates.

(What about Mary--does she have any kids?)
