C & A Gourd Dancers get \$17.50 for giving granddaughter the honor of being little girl head dancer.

The family thanks one and all--friends and relatives helping them--they've been more than willing to help....

Joe Neeley wants to put the bad breath on the tubes!

Joe Neeley takes mike: Cheyenne and Arapaho people--I always call myself Cheyenne, sometimes (He's Potawatomi, married to Arapaho). Hear this Cheyenne and Arapaho language. I'm sure glad you call on my granddaughter. I think whole lot of her. I hope you'll all be blessed by her selection as head dancer. And I'd like to have five little children come up here and shake hands with my granddaughter.

Clinton: Boy, you sure must have bad breath! Joyce Heap-of-birds is holding her nose and Cecelia Birdshead, and Irene Goodbear, and Guy Hicks--they're all holding their nose!

(Some kids finally get over and get their presents--hold back--adults have to encourage them.)
