

Now, these Twin Boys began to be the sacred god that the Kiowas possessed. They still possess--with whoever got the Twin God Bags. You'll find them, I think, either at Oliver Tenedo's. And how those Ten Grandmother Gods--

THE TEN KIOWA MEDICINE BUNDLES: CUSTODIANS AND MANNER OF WORSHIP

Alice Marriott ought to have the whole story. She get a story of them (referring to her book, The Ten Grandmothers) And my daddy was telling me the story and said they were from different things, but nobody knows what's in the inside of those bags except two of them we know are the Twin Boys--the Twin Bods--Dzaidetali. They are always ahead of all the other bags. He said one of them possess--one human possessed and they pass the magic powers to him and he was a great medicine bag killer (Guy's words not clear here) They said, when he died, they took his heart and dried it and put it in that bag. It's in one of those bags, but we don't know which bag it is, now. It's lost its identity. We don't keep track of them anymore. In the early days the old people keep track of them. And they say those other bags were made out of parts of the Twin Gods, and therefore there was ten in all. But there's only nine, now, I think--one of them burned up that White Horse had. But the Twin Gods are still together. They're always kept together, close. I don't know who has them now, but-- Silverhorn (James) got three or four of them--James Silverhorn. He might have that identification of the different ones. I haven't been around them for over twenty years. I don't know who has them now, but when Grandpa tenes^u.he[^] or Blue Jay had them was the last time I was with them. Blue Jay had the Twin Gods. And I took Dr. Colstead and Dr. Witt and Dr. Atchison to go see what they look like. And they did write up a little story about those gods in some magazines. You might find it--I had one copy of that magazine, but I don't know what become of it. I used to keep lot of papers in our other house, and the mice got in there, and my step-daughter--she's dead now--and she took a lot of those old boxes
