(Did Klaus have any children?)

Yes.

(Is that all the children of Sam?)

Yeah, I think that's all of them.

(O.K. Let's start with Klaus--his children.)

Well, he had a son and a daughter.

(What is his wife's name?)

I forgot their names now, but they're still living, both of them. The boy is a policeman in Dallas, I think. And the girl is living with her mother at the old home place, west of Carnegie.

(What is their mother's name?)

Alice Hokeah.

(Do you remember their boy's name?)

(End of Tape.)
