

Wolf Boy - TV
Gray Looper wolf call all the
other and ask them to rescue the
man that he wish to adopt him
as his son, how each wolf let
his tail down so he could hold it
and they bring him out all their
tails were to short. till one had a longer
tail he grab it but was very weak
finally they succeeded and brought
him to the top. they all lay around
him and the big wolf, told others to
scatter out get him some thing to
eat catch game hunt flint rock
also find him knife and bow
and arrows when people kill Buffalo
and may lose bow + arrows + knives
also if you have to get in camps
and deal them go and find them
for my boy each went out and
brought food knives some arrows
soon he gain strength and had
arrows + bow but instead of —
going home he live with the wolves
