

## Wolf Boy - VI

Listening thought they heard some one say here's a good one, it was the Wolf Boy talking to his adopted Wolf Father. soon they heard noise of one Beating or Breaking a leg Bone to get the marrow tallow out of Bone they went near enough to see who it was striking on horns to break the shin Bone, a man among wolves as they went closer the animals fled and young man also fled with the wolves, they told the story to all. some one said it might be the lost Hunter who's wife came reported he never returned let's put a trap for him, go and kill some more Buffalo and let wolves come and if he come all get ropes and lassos him catch him + find out who he is? they kill the Buffalo + open up the carcass + left them all got ropes ready sure the wolves came also the young man +
