

1 a reservation before allotment.

2 Q Are you aware of the fact that this property  
3 was acquired -- much of this property was acquired under  
4 the General Allotment Act? Are you aware of that?

5 A No.

6 Q You are not. Do you know how it was  
7 acquired? Under what act?

8 A Part of the land was acquired under an act  
9 passed in 1936 which is commonly known as the Oklahoma  
10 Welfare Act. Offhand I don't have the statutory references.

11 Some of the other, submarshal land was acquired,  
12 I believe, under the 1934 act by the Department of  
13 Agriculture. Not acquired by the Department of Interior.

14 Q Fine.

15 MR. O'BRYAN:

I think that's all.

16 THE COURT:

Very well.

17 Redirect?

18 I might say, up to this point we are talking about  
19 everything except what the court wants to hear, Mr. Kamins.

20 MR. KAMINS:

Yes, Your Honor.

21 THE COURT:

22 I say, we are  
23 talking about everything except what the court wants to  
hear.

24 MR. KAMINS:

What would the

25 court like to hear, Your Honor?
