

get them on tape--could you tell me again? Like the name for Cheyenne--?)

hitaesi, yeah.

(And Kiowa?)

ne.ci' ehehinε n That means "River men." They call them that because they used to live around the bank of the river.

(And this name for the Cheyennes, what does that mean?)

hitaesi.nw' I don't know what the would mean.

(What about the Comanches?)

εw'ow'

(Does that have a meaning?)

That means (pause)--just like "enemy".

(And Pawnee--?)

hw'xxw'yehi.nεnw' That means "Wolf Men".

(Why do they call them that?)

Well, because they used to go around and steal horses. They were wolves.

(And the Utes?)

w'w'taenihi.nεnw' -- That means "Black men".

(What about the Blackfeet Indians?)

w'w'taenixtaed -- "Black feet".

(What about the Gros Ventre Indians?)

hitou.nεnw' That means, when you go and mooch for something to eat. I don't know why they call them that.

(Going back to the Blackfeet, is there any reason why the call them that?)

Well, I guess they had blackfeet. They had black feet without moccasins on.

(What about the Sioux?)

Let's see nw'tine.hinw'

(What does that mean?)

You know, when you wander. Wander.

(What about the Assiniboines--do you know that tribe?)

No.

(What about the Crow Indians?)

They call them Crow Men. hoo.nεnw' I don't know why they call them crows, but they call them Crow Men.
