BACKGROUND OF INFORMANT:

Bertha Provost is in her early sixties. She knows a great deal about traditional Wichita horticulture and food preparation and other subjects. She is fairly well educated and has lived in the western Oklahoma area near Anadarko most of her life. She is active in the Baptist Mission work among the Wichitas.

HAND GAME

You, would tie. And then we do it again. Supposing you didn't find mine, I didn't have it in that hand. You hide yours, and I find yours, well, it's yours...no, it's mine. I take it.

(Speaking of the handgame)

(Are these people on the same team guessing each other?)

These two. One that starts off. Those two. Well, if I found yours, well I have to take it, and I give it to my side. We have certain sides. That's where the game starts, right there. Two of them. Oh, it's fun though. Have you ever played.

(Discussion about camp-out during previous summer.) (Can you play
