

I don't know. David and I went over there one time, and he, I have an idea he got it from Frank Miller. Have you ever met Frank Miller?

(Yeah, I met Frank.)

Well, Frank wanted pay (?) way up there.

(Yeah.)

And I think they're all going to change same church. And I have an idea. Cause I got him once, and then another time, he made excuses, you know.

(Yeah.)

And we went to his house one time.

(Is that--is that same as Rubin standing?)

Uh-huh, that's the one. And he--he's pretty good, but I don't know. That day, I sure tickled at him. Told him about my house being dirty. He said, "My wife's gone, I haven't even cleaned up no time." He didn't want us to go in. I don't know what it look like. I said, "Ah, you crazy thing, why don't you clean when you're wife's gone." (Laughter) But we stayed outside and talked, what--what we wanted. But, anyway --

(What--what I was going to ask was how the--what--what did the missionaries do to stop some of these ceremony-- you know, to stop these ceremonies?)

Oh, well, they just --

(They talk against them or --)

They go to them and they talk to them and they tell them it's wrong.

And we shouldn't--well, in a way, it's--they were right. But for my part,

I don't think we should condemn other people's religion.

(Yeah.)

COMMENTS ON PEYOTE RELIGION

I always say, my husband, used to say--cause my brother, my oldest brother, used to use that peyote, you know. They used--they claim it's a religion.
