

him." And they took their bow and arrows. And sure enough they went down there, and they killed that buffalo. They kill it and they brought that tenderloin of that buffalo back to her. And they told her, "Grandma, look what we got. We kill that buffalo. See we even brought you the tenderloin." She went over there. Sure enough they had killed that buffalo. So that's all of that. Is that his last story?"

(Yeah, I think so.)
