But these others keep on singing. He said that I myself I'm just like fix over, I'm a nice looking young lady. Someday she said you'll see me. That man told the mother about..her daughter and she sent the words. That were they got the name of Ghost Dance because they talk about dead people.

(Did he taok to any other dead people?)

That what they claim, but you know..maybe a young boy that boy will say words to his folks but there's always a song to go with it and they learn that song and sing it every Sunday or something. Just like church. They go to that tipi and all get together and they have their meeting and singing in the mornings and afternoons..

(Every week?)

Yeah, that's why they call it that. They talk more about dead people.

(Did he ever predict things to happen?)

He tells them that later on He's coming. They talk about Jesus, that's He's coming this world, back again so that everybody will get up, like that reserrection. They do talk about it. They tell them those things.
