

arrows all right, but she had that otter hide, you know, tied around, you know, at the end.

(Yeah.)

That's about all in that game, you know, in there. And four game, it runs same way, you know, ten sticks all the time, you know.

(Yeah.)

So, this side, they score first, you know. Well, they pick theirs up, you know --

(Yeah, yeah.)

-- like that. Then, they get a -- then, they come out. Maybe, they find them there.

(Yeah.)

They go back over there. They have to make their five sticks over there before they -- they get in there, you know.

(Yeah, yeah.)

Yeah, that's the way it run.

(Joe, you said that they used to use some kind of corn. Was it -- was -- were they -- .)

Well, they.

(Were they kernels of corn or cob or what?)

No, see, my uncle used to care corn, maybe, both of them. Same way, you know, when they have them dinners, I guess it's their way.

(Yeah.)

They carry, you know, black corn, you know. I don't know, that kinda hard to find that kind of corn.

(Yeah.)

See, it's got seven rows of kernel, you know, kernel.
