

Well, in a way, the Wichita, they call it (Wichita Indian word) but in a short way, they call them (Wichita Indian word). That means "from", you know. That's what they call them, (Wichita Indian word), you know, that's the sticks you hit on rock.

(And was there a name for that rock they used?)

No, they just call it (Wichita Indian word repeated twice.) That's a little round stone.

(Will you say that again?)

(Wichita Indian word repeated three times.)

(That just means a stone, huh?)

That means a stone, rock, you know.

(When -- when do the women play that game, Joe? What -- .)

Oh.

(Was there -- .)

Any time.

(Any time?)

Any time, maybe, you know -- .

(Yeah.)

-- all year around again, you know, whenever they, you know, get together.

I don't hardly see them.

(Yeah.)

I don't hardly see them. Nobody plays, you know, any more. Good game.

(Do they play it -- they play it in the day time or at night?)

Yeah, yeah, they can play it any time, I think, you know. Some people got habit, you know.

(Yeah.)

They, you know, like to play. Well, they start playing pitch or anything like that, you know.

(Yeah.)
