

"If I use anything, I'll use Indian medicine."

(Yeah.)

That's what I told her, you know. "Oh, that's all right." But she was the one, that used to help, you know, with pain. But I think them others used to, you know, probably give me aspirin. (Laughter.) Oh, but they kept me pretty good whenever, you know.

(Joe, I'm going to make this kind of -- .) (Interruption.)

-- see, they was there, but the put it all -- .

(Yeah.)

(Sentence not clear.) We was doing all right, you know,

(Yeah, yeah.)

Well, I used to (not clear).

(Well, I'll see -- .)

(End of Tape.)
