

Indian say go get it. Go get it and cheat me. (Wife: What did that white man have?) That Indian told white man say it's kind of far. Long ways. And that white man he's got a horse, saddle, spurs, boots, and good pants, shirt, hat, and a pistol. Well, that Indian told him it's too far I can't. And that white man told Indian I'll loan you my horse. You can go. That Indian turned around and said ok. Well, that white man got off that horse, and that Indian got on that horse. Well, that Indians...that Indians says he's 'fraid of me I wanna borrow your hat. He give him that hat. He start to get on and he do the same thing. Says, I wanna borrow your boots and spurs. He got everything...pants, shirt, pistol. That white man's waiting out there. And he told 'em hurry back and cheat me. And that Indian just----He got on the horse. He went on a little ways, and he turned back and he says "Hey white man, this is the way I cheat. I done cheat you already!"
