

VISITING:

(Did any other relatives come to visit you very often?)

Yes, we were just a center. If the Binger Indians came why they always visited us and stayed overnight. We had company all the time.

(Did other people other than your relatives come over and spend the night?)

Oh yes. Uhuh.

(Were they mostly Caddos that came over?)

Yes.

(Did any white people ever come over and spend the night?)

Oh yes. The agency people always came out and had picnics across there. Because that was all in Bermuda grass. Where they used to have their dance and their ball grounds. They used to play there the old time... games.

RELATIVES NAMES:

(Did you ever go and visit other relatives?)

Oh yes, we did.

(Which relatives did you go to visit?)

Over at Binger to my grand aunts. My grandma's sister.

(About how often did you go over there?)

Oh, they just traveled back and forth. I know after it just Rem and I after grandpa died, grandma and I used to travel back and forth to Binger because my mother that's why we moved see? In 1904 we moved there and came in back in 1923.

(Was there any particular parent or relative that you liked the best?)

Well, see when my grandmother took me over after I had polio why "
