

two pets that I know of besides having a cat and a dog, I was always allowed to have one or two pups to play with.

(Did the Caddo keep animals like that pets in the old days?)

Yes uhuh. Just little deer and little fawn and so on. They kept them so long and then they..always best to have them when they're young.

(Did you give names to your pets?)

Oh yes. They always had names.

(Did you give them Indian names?)

Oh yes, naturally, they would be Indian names.. You don't know any other names to give.

HOME AND FARM ACTIVITIES:

(What did your father do most of the time? What were his major...)

Farming. Farming and stock.

(Did he spend most of the day working at it?)

Yes he spend most of the day working and..especially this time of the year when they had crops when there wasn't much other activity besides farming.

(How about during the winter? How did he spend most of his time?)

Cutting wood. Making posts.

(What about your mother? What sort of work did she do?)

General housekeeping.

(Did she ever work on the farm too?)

Oh yes. They got out and chopped corn and chopped corn and whatever there was to take care of.

(What about the children? Did they work on the farm too?)

Oh yes. They all got out. When it was necessary they all got out the
