BACKGROUND OF INFORMANT:

Joe Wheeler was born in 1902. He and his wife Ethel, live on Ethel's allotment some five miles west of Ft. Cobb and one and one-half miles north of state Highway 9. Both are relatively traditional in their outlook and both are active participants in Wichita affairs. Ethel's brother, Louis Sadaka, is currently chairman of the Wichita Tribal Council. Mr. Wheeler has had acute diabetes for many years, and as a result has lost both legs by amputation and is confined to a wheelchair. He is quite deaf (a result of diabetes) and he has some difficulty in seeing. He is extremely affable and responsive, and interested in talking with the interviewer. They are not at all secretive about Wichita culture and affairs and deal freely with almost any subject which is raised.
