

(Yeah, what--what--was there--did the Wichita have a name for that arrow game?)

What?

(Did the Wichita have a name for that arrow game? You know, for that shooting game?)

Well, when they shooting that target, they call it (Wichita Indian word).

(Will you say that again?)

(Wichita Indian word)

(Will you say it once more?)

(Wichita Indian word)

(What does--what does that mean? It just means a game or--?)

Well, I just know the name of right there, the sport of it. The name

(Wichita Indian word), that means--that means something like you're shooting, something, maybe, the target. (Wichita Indian word), that means, you know, kind of hitting it with an arrow.

(Yeah.)

That's what it is. Nowadays, you know, we call it Indian, you know, target---

(Yeah..)

---something, you know.

(Yeah.)

Target.

(What's the Wichita word for arrow?)

"Nic-a-way."

(Huh?)

"Nic-a-way." (pause)

(Will you say it once more?)
