(Did you say one of these boys was dead about a half a mile apart. That they didn't die all at the same time. They found these boys laying different places. Which one was dead first, which one died first?)

I believe they find that oldest one Sailor. I don't like to talk about it. It-makes me feel bad. I was crying. I lost my mate. Sailor my good friend.

(Were all the instructors at this school ...)

## GEORGE HUNT WAS TATTLE TELLER

You know that fellow George Hunt: He is the one. He is a tattle teller and I don't know. Nobody give him that job but he always tell the teacher what them boys do wrong. What them girls do wrong. And them boys and girls get punished.

(What else weren't they supposed to do, besides talk to the girls?)

He is a tattle teller. He is no good.

## REWARD FOR REELING POTATOES

(What else did you all do at the school?)

Who me?

(Uh-huh.)

(What else did you do? You use to peel potatoes didn't you say? And in the bottom of these sacks was  $50\phi$ ?)

Yeah.

(That was your job?)

Uh-uh.

(And what else did you do beside peel potatoes? Did you have to gather chips?)

Yeah.

(He said some of these boys were lazy...)
George Clark that was our disciplinarian.
