

Yes, we were punished for it.

(You must of gotten a lot of whippings then, the first few years you were there?)

Yes, I did, we got quite a few punishings, standing in the corner, and wearing a dunce cap, so on -

(What particular work, you said you went to school half a day and worked half a day, what particular work did you do?)

Well, we done most of everything, like ah - we had a orchard down there, right in to town there, on the west main. And we use to gather fruit there, and course there were farm boys, and milk boys, I said before. And they, they have taken care of all the work that - was suppose to be done. At the school and perhaps that was part of our learning. And - ah - that was some of the things that we learned. And I think it was helpful to us, after the years to come.

(Did you have military drill after - -)

Yes, we had military and ah - every day, we had military and well - put flag up and flag down in the evenings. And standing - ah - all girls and everybody. There was quite a few - students up there in that school. And ah - we had all that military drilling and ah - 'course we didn't have any artillery or anything like that. We learned how to drill or - and - ah - we had a band. And we had to put the flag down every evenings.

(What about sports? Did you have baseball, basketball - football teams?)

Yes we had. football teams and basketball teams, and baseball-

(Track?)

No, not track, they didn't have no track.

(Did you ever participate in any of the sports?)

No. Just only the - kid games. That's bout all.,
