Wye noticed not only this new group, but there's been other groups efore these: SQ you people, I-think, also have tried to do your best :o show them the hospitality that you could. So I think all in all, cerybody got along fairly well, and I know some of these stuadents came Arom along ways off, and before, so Dr. Bittle, we be thinking about you nd also your family, I don't know if your famiIy is going with you? if. Bittle: Yeah, they are.
they are? So you tell them we'll be thinking af all of you all and maybe n our prayers your safef eeturn back to bklahoma.
4.c.--It's kind of a pleasure to us to get together here tonight. To ive you a little what we can to entertain your students. Bừ Indian ives are like we're having some of the finest Indians in our community o understand their ways and modern way. So.Dr. wherever you pay be wè Iways think of you here, às part of our family incluãing your family e want tho think that way. And so somewy. if you have a little time ust write us a little card and we'd like to know just how your making
ut: Thanks again.
r. Bitille Thanks you all.
c. --I'd like to address this to the members as you know, the week is ull dif invitations and we like to take them one at a time: You knowe eive been invited to Colorado again. It's not very far off, right around out next month, not quite a month. Anyway, 'we'd like to get together ay $y_{1}$ once a week to raise additionai funds to put with wat they are gonna ive us. I understopd they gonn sens us a contract and also expense oney. Some of you members are familar with our rules and regulations oing down there. They are not strict. But we'd like the members to
