Attention: Mr. Charles E. Hendon, Social Worker I

Dear Mr. Williams:

This is to request continuation of assistance on a hardship basis for Joe O'Field, Cherokee 18926.

Mr. O'Field's land was advertised in September of 1968 and no acceptable bids were received. The land was advertised again on this month's land sale and it will be sometime before we know if the land sold.

We recommend assistance be continued until May. However, if the land is sold we will notify your office.

Sincerely yours,

E. J. Perry,
Superintendent
