Dear Mr. Perry:

Please refer to your letter of January 23, 1959 in which a request was made that consideration be given to the extension of eligibility on a hardship basis on behalf of the O'Learys.

In the granting an extension period you are covered from January 1959 to the O'Learys providing he continues to give all other factors of eligibility. This extension period will terminate with the payment he receives in May, 1960 unless the funds are used to which his property could be offered for sale prior to the end of the twelve month period.

In the event the land is sold and the community with current value of the land is received, we are sure you will notify our Oklahoma County Department of Public Welfare in order that plans may be developed for making this resource available for the community.

Very truly yours,

Director of Public Welfare
