

about it. They just grew up together. They know one another, you know.

# MEANING OF INDIAN COMANCHE WORDS

(I heard the Comanches have different bunches like one ((Comanche word)). Are you in any of these?)

((Says Comanche word.))

((Interviewer speaks same word again)), what does that mean? Does that have a meaning in Comanche?)

Well, that means that they just, say like for instance you're in Caddo County, Comanche county, it just like that. They mean of...

(An area that you live in?)

Yeah.

(What about the, the only other one I've heard of, the ((Comanche word)). Is that how you say it?)

((Says Comanche word.))

((Interviewer repeats Comanche word.))

((Says Comanche word.))

(Where are they?)

They're part of that; but they on this side of them. They on the north side of them. In - say for instance now, they got 'nother one, to o, that uh- I think they call it ((Comanche word)). And that's way over there, south of Altus, west of uh- west of the (unclear). That's what they call ((Comanche word)).

((Interviewer repeats word.))

Yeah, see it's near to the Red River. Yeah, and ((Comanche word)) that's some of the, they got lot of names for your, or the tribe, yeah. Or wherever they live, just like us Comanche county, Cotton county, and Caddo county. Just like that. But Cache is (unclear). That's where our two mothers is now, ((Comanche word)). But that's their kind, ((Comanche word)), Comanche. Oh they got lot of names. ((Comanche word)), ((Comanche word)) is (unclear).
