

(Yeah.)

Yeah. (Sentence not clear.)

(What about around Medicine Park?)

(Comanche word), (Comanche word) is right there where I'm at. Up on uh- I (unclear) words of my brother. And (Comanche word), and Cyril, Cyril and Fletcher is (Comanche word).

(What about around Apache? Is there a name for that area?)

I don't know, it's just, (unclear) that they call it. Uh-huh.

(Do any of those names have a meaning in Comanche other than just a place, are they names?)

(Comanche word) means traveling around. (Comanche word) means on top of the hill. It's just, just uh- like for instance now you look at something over here. And you could make a name for it and say, well, it similar to so and so. It look so and so. You could say that, you know. It just like that. They make their names by, why on like that just the way, the way it is. You know the way it looked and all of that, you know.

(What about ((Comanche word))?) Does that have a...)

(Comanche word repeated.)

(Comanche word repeated.)

Yeah. Part of that's Cache, too.

(Does that word mean something? Does it have a meaning in Comanche? Like you said on top of the hill.)

Yeah. Well, in a way it's mostly right there where them uh, on the other hand, just like, for instance now this like Quannah Parker, he's got lot of wives to look after in that bunch. Just in that community. I think it's something like that.

(Are these bunches that live in different areas, are they kind of in bunches, are they related, blood related?)
