

know where the money go. My father he was telling me that, that's why I know it. That contract laying somewhere. If somebody'd was a smart man, look it up, and we find out.

MEANING OF MOTHERS NAME AND FATHERS NAME:

(What was your mother's name?)

My mother? Ah tape

(What meaning did that have?)

Well, drive out. Just like you get a horse in carral and you run them out.

(How did she get that name?)

Oh, they were, way back there, they had a war about several hundred Indians. They kill one side--war--many Indians--different tribes. And they were in somewhere, big bluff all around so those other Indians though they don't get them. That protect. There's one fellow got in there and he drive them out, see. He shot them down. That's what meant by that.

(Oh, and she was named by--)

Yeah ah tape.

(Does your name Houmpy--is that a Kiowa word?)

Yeah.

(What meaning does that have?)

Well, my grandpa, he was chasing buffalos. It was young one, young buffalo there. He tried to run with his mama--buffalo mama. He just give up, laying there, and breathing hard, that poor young one. It's named by that.

Houmpy, it mean--breathing hard. But white mans way it's a name, see,

Houmpy. But Indian, it's that way.
