

Unhunnh.

(I would like for you to tell me again about what happened to this neighborhood thing that preachers come in here talking about love. You were saying while ago what changed it. Do you remember? That they wouldn't get together now and help each other like they use to and the preacher said they'd lost their love.)

Yes. They said that the Bible said that it's the Devil. And I don't believe it's Devil. That it's the Government done that. Cause the United States give 'em way check.

(Laughter)

(Takes the place of love?)

Yeah. Well that's what I thought. I said " They think it's a big shot you know. They don't care to visiting now. They just stay home - eat. That's what they doing.

(You were telling me that they used to come in here before they got check, to your place.

SHE HELPED A LOT OF PEOPLE WHO WERE HUNGRY

Yeah. I help a lot a people.

(They didn't have any checks and they were hungry?)

Yeah. No somethin' to eat, I guess, at home. They sure like to come up there to our place. They ready to help me with something, to do cooking you know. And they loaded in the house and porch. They cooking, cooking, cooking. Sometime we set table three times.

(Really?) (You never thought about taking pay for it. Did you?)

No. I never take it. I be surprised. I sure don't care. I sure glad
