

the relatives take those scalps and in the victory dance, they carry them, and they dance holding them in their hands. Maybe you see them with sticks in their hands--that's what it represents. Now, in today's generation, women when they have a round dance or scalp dance, they have a stick in their hands--that's what it represents, holding a scalp.

(Would people of all ages take part--children and grown-ups?)

Yes. Those men that were in the expedition, they're the ones that take part and after they take part in the first dance, then everybody and relatives takes part. It may be a revenge party returns victorious. And they revenge for the whole camp, then everybody takes part.

#### LOOSE INTERPRETATION OF WORDS OF SONGS USED AT DANCES

(You mean the warriors that came back, they are dancing?)

Yeah, they dance too. And they always have a special song for them--a special song they sing. In this song, like this love song, it's what they did, how they killed. It's always in the words while they're singing until they know them.

(Do you know that song?)

Oh-hh. Most of them, I've forgotten most of them songs. Like I say, I'm not much of a singer anymore. I don't try to practice singing those songs. There's somebody with a good voice give you those record songs. Cecil can give you a good song.

(I just wondered what they were like?)

Well, when World War, just for illustration, I say, during the World War I, we had the war with Germany and our boys came back victorious. My nephew was over there and all the relatives gave a victory dance. And one of the women that sang the song--the
