

and bread. And I eat all that, lot of it. I went and take a bath then they cedar me and fan me with their feathers. That was all.

(Now days, let's say when you give your medicine to Shay (Mary's grandson) you'll have to put up a peyote meeting. Did that happen for you then? Or did you just get the medicine after four days?)

They just told me..well they had told me. They gave all that medicine to me, they showed me and they told me how to run it and everything like that. They told me all about that before I fasted. You suppose to go way up there in the hills and sleep up there by yourself. But me I was afraid to go up there by myself. I was afraid to go up there, but you suppose to go up there in the hills. And pray and cry and talk and..

(What's supposed to happen?)

Somebody come to you. They say, "Somebody will come to you way in the middle of the night. They going to push you and kick you and they do things like that, but don't get scared. Just lay there and let them do what they want to you. Just kick you around and slp you and all that. They fighting you for your medicine. They don't want you to have that. It's ghosts." That's what they said. You know, there's a lot of people buried out at these slick hills. And if you go up there they be bothering you all night. That's what they told me. I said, "I don't want to go up there. Them ghosts might catch me." That's what I told them. I didn't want to go out. I didn't go out there. I was afraid to sleep up there in the mountains by myself.

(Well, what did you do for those four days? Did you go and come back or...)

Yeah. I just go up there and come back.

(Did anything happen to you?)

No. Nothing. Nobody came to me. My father went up there. Up here, you know around that Stoney Point. He went out there and stayed out there four nights. All he seen was anything by dead peoples that where
