

way he became preacher Christian. And then when he preach on a - - he get a sermon, he gets a sermon out of the bible he makes it so real that you could just understand. He puts something in you. He converted lot of people there around his vicinity and everywhere he went. He'll convert them to become young converts and Christians; children, and womens and mens and boys under his preaching. I was the first one been converted and throught me, I guess probably he was interested after he knew he was doing wrong. So he went on preaching every Sunday, and on on top of that, when he build a house there at the church ground, well, he would feed peoples that came there on Sundays. "e go ahead and buy lots of groceries. And I ask him, "Father how come you do those things when these other memebers could help you?" He said, "Son, I don't know. Some way, when I drink, I spend my money for nothing. I would throw my money away and buy drinks for my friends and then I find out I was doing wrong. Therefore, I go ahead and spend my money this way for God than to throw my money away the other way." So peoples fron all over , they come to Sunday School, they come to church and they come to prayer meeting. We go places when we called. Well, he go anywhere when he called, whether its cold, rainy or sleeting, he would make it. Under his preaching, a lot of Indians been saved unto the Lord. And one time he was called to Emerson, Oklahoma, west of Walters, about nine miles. And all his members got in the bus and took off and went down there and we was all welcome. And the reason why they call him was that one of the men, the owner of the house; his daughter was sick, where you can't touch the bed or jar it, you know. She would holler because it hurts her so bad when you jar her bed. So we went on and had service, prayer service. Everybody, his members, including me, we all get up and testify and would tell the girl how we got saved and how wonderful it was to be saved and work for the Lord. So, my dad told her the same thing and everything went just fine. And then it was time for our service to be closed, about 11:30. And he said, "Members, now we going to have a healing
