

tied. I cannot do nothing. I have no authority I have no power of any kind unless we do these things that we are planning on doing.

I wrote a resolution that I was going to present to the three tribes this last Saturday. But as Allen Soomti said there was not enough there. So we done the next best thing and got the superintendent to recall this meeting. Whatever we do Sat. it's gonna be official.

So it's now up to you. It's up to you whatever adults we have in the tribe ought to go over that. Now it's gonna be up to you as what you want to do but I would tell you one thing as I have always said,

I'm not afraid to take a stand one way or the other. I might be by myself but I'm not afraid to take a stand. I favor a percapita payment I disfavor separate constitution for Apaches. I will fight

that to the bitter end. I might be the only one but I cannot see how gain in separate constitution so the move is on now that-s--

you gonna decide that. All right, when we got Mr. Grissom to agree to

call this meeting for the Apaches, Mr. Miscowsky invited me to the

Kiowas meeting that afternoon. He wanted me over there so I attend the

Kiowa meeting. Vincent Bointy was the chairman for the Meeting he

also requested the Kiowas meeting. So they got one for you Kiowas

that are here. At 1:00 the 29th at the Jr. High school at Carnegie.

You be there, you be there cause that's your meeting and you gonna

have to go on record on what you want and what you don't want. This

is the right that you have a privilege that you have and if you don't

do it it's just your own fault. So I'm hopeful that our Apaches will

respond, also the Kiowas. That's where I believe if we get the right

kind of support and cooperation I would not hesitate to say with in

30 days we'll have our government straightened out. We'll be back in
